

Job Posting

DATE: 06/18/2018
POSITION: SONOGRAPHER (Ultrasound Technologist)
COMPENSATION: Competitive
REGISTRIES: RDMS(AB) and RVT or RVS
STATUS: Full-time or Part-time or PRN
HOURS: Flexible Hours
LOCATION: Cleveland, OH or Akron, OH
REPORTS TO: Area Technical Supervisor/Ultrasound Technical Director

DUTIES:

The BTX mission is to provide quality diagnostic services to residents at their bedside preventing hospitalizations and unnecessary travel. As a BTX sonographer, you will be the face of BTX to our patients by visiting them in their current setting and providing diagnostic services. BTX provides each sonographer the highest quality portable equipment available allowing you to efficiently complete your duties and minimize any unnecessary additional work. You will be able to fully complete any exam while with the patient and send it off for interpretation by a physician prior to leaving the premises. We provide company vehicles which allow you the independence for quick scheduling of exams without the demands of a brick and mortar operation.

- Be the face of BTX to our clients—professional and compassionate actions, communication and personal appearance are a must.
- Perform ultrasound and Doppler studies on patients promptly, efficiently, and triaging to prioritize emergent exams.
- Follow the company's technical procedures and Best Practices guidelines.
- Maintain accurate documentation of services performed.
- Upload images into PACs, communicate with interpreting physician, review reports and ensure timely reporting back to ordering physician.
- Properly care for and maintain company property, including vehicles, phones and equipment.
- Promote the service to build up additional business.
- Other duties as assigned which may include call backs or film deliveries when necessary.

REQUIREMENTS:

- RDMS(AB) and RVT or RVS or equivalent. RDCS or RDMS(OB-Gyn) are beneficial.
- Self-motivated to help the elderly and disabled.
- Able to work independently, yet as part of a team.
- Flexible working schedule to meet the needs of our patients.
- Excellent driving record, as significant driving is required. Vehicle provided.
- Must be physically fit to perform the job:
 - Physical required upon hire and every two years.
 - Positioning of patients.
- Experience in portable ultrasound or x-ray preferred.
- Drug free.
- All candidates must pass a background check.

BENEFITS

- Health & Dental Insurance (after 60 days employment with modest employee withholding)
- Paid Life Insurance (after 90 days of employment)
- 401k with 100% match of first 7% of your salary (Semi-annual enrollment after 1 year of employment)
- 50% reimbursement on CEU's and Registry updates after 3 months employment
- Company provided vehicle, fuel & maintenance.
- Technology benefit \$200 annually or \$400 biannually for personal technology purchases
- Company credit card for company purchases and fuel for company vehicles.
